How long before my reservation should I arrive?

We recommend that you arrive fifteen minutes before your reservation to calmly leave outerwear and land in the Christmas atmosphere in our Christmas-decorated basement vaults.

Do you have vegetarian and vegan options?

Yes. Our Christmas buffet includes several plant-based dishes, and all food is clearly labelled, making it easy to see what each dish contains and choose according to your dietary preferences. We also offer additional vegetarian and vegan options. For larger parties, these need to be pre-ordered at least five days before your visit. For smaller parties, they can be ordered on site.

Do you have labels for allergens?

We label all allergies and always have experienced chefs in the kitchen to answer questions.

Do you have chambre séparée during Christmas?

Unfortunately, we are unable to offer private dining rooms during the Christmas buffet season, as the entire restaurant is rearranged for our festive sittings. Before each sitting, the table plan is adapted according to the number of guests and the size of each party, with the final seating arrangement determined by our maître d' on the day. We will, of course, always make sure that your entire party is seated together, either at one table or at tables placed next to each other.

What are your cancellation and no-show terms?

A no-show guarantee applies to all Christmas buffet reservations. Your booking must be verified with a payment card and is not confirmed until the verification process has been completed. A verification link will be sent via our booking system to the mobile number provided when making the reservation. No payment will be taken from your card at the time of booking. In the event of a no-show, or if a reduction in the number of pre-ordered guests is not communicated by email at least three business days before your reservation, a no-show fee of SEK 500 per person will be charged.
